Dear Parents and Guardians

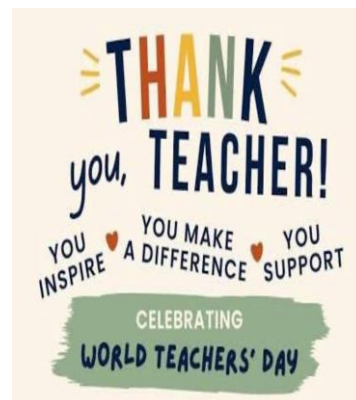

The 1986 Europe song "It's the Final Countdown" is so relevant in so many ways as we start the final term and the countdown to the end of the school year. This term, once again, promises to be a very busy one, and we trust it will end with outstanding results in academics, sport and culture. Among the highlights we look forward to are the Grade Camps, Orientation Day, Grandparents Tea, Excursions, Reading Competitions, the resumption of the extra mural programme, Sports Festivals, Cake sales, and so much more!! It will also see the preparations for the appointment of a new Principal, and farewell to Zwaanswyk Academy stalwarts.

It's going to be a busy and sometimes emotional term. But it's going to be a

good one. After all, Manchester United may just win a game this term!!

All aboard!!!

TEACHERS DAY: 05 October

International Teacher's Day is celebrated annually on 05 October. As we celebrated

this year, one was reminded of the abundance of exceptionally talented and committed teachers we have here at the Home of Purpose Driven Educational excellence. One was reminded of the sacrifice, the going beyond expectations, the desire to create more and more opportunities for our learners. Sadly, one was also reminded about the unfairness and criticism Teachers have to endure at

the hands (or tongues) of parents, how they are weighed down by the ever-growing mountain of admin work, and how their efforts often go unappreciated.

The Zwaanswyk Academy Educators are united in our quest to make learning at the Home of Purpose Driven Educational Excellence a meaningful and powerful one. This must be celebrated and applauded.

Be applauded,
Teacher of Zwaanswyk.
Thank you for the work
you do. Thank you for
making our children's
educational journey
such a special one.
Thank you for, under
difficult circumstances,

playing the role of educator, nurse, comforter, best friend, psychologist, protector, developer, encourager, and so much more. We appreciate you.

Parents, let's make October our Teacher Appreciation Month. Let's rally around to show our Teachers that they are appreciated!! Thank you to our SGB who spoilt Staff with coffee and muffins on Tuesday! Appreciated.

LEARNER CAMPS

Every year our learner camps prove to be a highlight for our learners. This is how things should be, as learners are granted an opportunity to experience the outdoors and develop various skills in an open, yet controlled, environment.

We have had some challenges getting these learners to camp. Parents have often had to be begged to return camp forms to indicate whether learners will be going or not. This delay led to us only getting permission for our Gr 7 camp a day before camp! Learners' behaviour had been less than desirable, and there had to

be consequences. Parents, who had been informed about the camp in the first term, did not pay. All of this put the school in an undesirable position, and we ask that this must please not happen in future. We have to apply to the WCED three months before a camp, and so we will be making the cut off for return of forms for learners to attend at the same time.

But the camps will continue, because we will have cooperation from parents to ensure wonderful experiences.

SYSTEMIC EVALUATION: 22 OCTOBER

The Zwaanswyk Academy Grade 3 and Grade 6 Systemic Evaluation takes place on 22 October. We ask that Parents assist with preparation by testing multiplication tables, language skills, etc.

ZULFEEQ BASADIEN

Young Zulfeeq has been back at Red Cross Hospital for a month now, and would have undergone an operation to install a tube directly into his stomach by the time you read this

newsletter. The family desperately want to get him home, but the cost associated with this is prohibitively expensive. A back-a-buddy campaign to assist has thus been launched. As a school we are deeply committed to assisting Zulfeeq as much as we can. We also know there are many learners and Parents who are not only willing, but also able, to make a marked difference. Please then feel free to make any contribution. The amount does not matter. It is the action of giving and caring that we want our children to experience.

Zulfeeq needs around R100 000 to enable him to get home relatively comfortably. The money raised will be going towards essential equipment like a specialised bed and mattress, oxygen machines, sucking machines, a special car seat, monitors, and various other needs.

Our value for November is Caring. Let's show that Zwaanswyk Academy cares.

The Back-a-Buddy campaign will be available on all Zwaanswyk Academy's social media platforms.

BALLET AT ZWAANSWYK

We have been afforded the opportunity to offer ballet lessons to our Grade R – 5 learners for just R100 a month. These lessons will take place every Saturday, and will cost just R100 a month!!

Julie Fourie has 19 years of comprehensive ballet training and performance

experience. She is Royal Academy of Dance (RAD) Advanced 1 and Advanced 2 certified, and also has 13 years of stage production and performance experience. She is skilled in Contemporary, Modern and Jazz dance styles.

Sign-up to happen soon.

IN OUR ABSENCE...

THINKING MINDS

SUMMER UNIFORM: 12 OCTOBER 2026

All learners are required to wear summer uniform from Monday 12 October 2026.

Thank you to Parents who honour the school by ensuring learners have the proper haircuts and uniform. Sadly, there are those who don't.

BUDGET MEETING AND AGM: MONDAY 09 NOVEMBER 2026 @ 6PM

The annual AGM and Budget Meeting is scheduled for Monday 09 November 2026 AT 6PM. It would be wonderful if we could get at least 75 Parents to be present. This would represent a quorum of 10% of Parents. Will you be there?

Among the key points to be discussed is a school fee increase of 4%, with significant amounts of money allocated to the science laboratory, resurfacing netball courts, sport, culture, the refurbishment of the Mercedes bus, and maintenance.

Don't let others decide. Be present!

All aboard!

FROM THE FINANCE OFFICE

Important Banking Changes

Dear Parents and Guardians

We would like to share an important change regarding payments at Zwaanswyk Academy.

Unfortunately, ABSA has advised us that they are moving away from accepting cash deposits at their branches. This has placed the school in a difficult position as we need to ensure that all funds received at school can be safely and securely banked in line with our financial procedures.

We fully appreciate that cash is still a preferred method of payment for some of our families and we understand that moving away from cash may be an adjustment. This is therefore not a decision

that the school has taken lightly. Unfortunately, the changes implemented by our bank have left us with very limited options and our hands are effectively being forced to move towards a Cashless School.

We will, however do everything we can to make this transition as easy and convenient as possible for our families.

Going forward, we will be expanding our payment options, including:

Karri – We will be making more school collections available through Karri, providing parents with a quick and convenient way to make payments.

EFT payments – Parents are welcome to make payments directly into the school's bank account using the appropriate learner reference.

Card payments at the Finance Office – Parents who prefer to pay in person can still visit our Finance Office and swipe their debit or credit card.

Our goal is to ensure that parents continue to have simple, safe and convenient ways to settle school accounts and make payments.

We sincerely appreciate your understanding and support as we navigate this change. We know that change can sometimes be inconvenient, and we will continue to look for ways to make our payment processes as parent-friendly as possible.

Thank you for your continued support of Zwaanswyk Academy.

Warm regards,

Finance Office
